

Architectural Job Captain – Multifamily, Residential

Firm Profile: Nadel, Inc. is an award-winning West Los Angeles architectural firm with excellent clients and an extensive portfolio of projects. Our depth of experience provides support and mentoring for our staff members, while our passion for innovation encourages creativity in a broad range of building types.

Job Description: We are seeking an accomplished full-time Architectural Job Captain for our West Los Angeles office, with experience in multi-family housing building types. Qualified candidates should be aspirational and familiar with the building type, technologies, and applicable codes, able to work effectively as part of an overall design team, and experienced with ACAD programs.

This is a long-term position and an opportunity to develop one's career in a highly professional setting.

Job Requirements:

The ideal candidate must possess the following minimum qualifications:

- Mastery of Revit software – 3 years' experience
- Proficient in AutoCAD
- Full time experience with Residential Type III & V Mixed use.
- Degree in Architecture; Licensed or licensure track
- Ability to grow into future Project Architect/ Manager role
- Willing and able to help lead other team members

We offer a substantial benefits package to full-time employees, including health insurance, dental insurance, a 401(k) plan, Paid Time Off, and a competitive salary commensurate with experience.

Contact Information: If you meet the criteria for this position, please send a detailed resume and a portfolio of sample work in PDF format ONLY to employment@nadelarc.com.

Please, no recruiters or phone calls, and no links to web pages will be reviewed.
