

## PROJECT ARCHITECT

BAR Architects  
811 W. 7th Street, 12th Floor  
Los Angeles, CA 90017  
213-349-0163

At **BAR Architects** our diverse practice has always had a singular focus – to create places that inspire and that stand the test of time while meeting each of our client's specific needs in unique ways. Today we are an 85-person firm with offices in San Francisco and Los Angeles and work across California and the world. Our studio environment combined with large firm resources fosters collaboration and encourages creative thinking while our size and diversity of practice offers broad opportunities for professional development. Current projects encompass a variety of markets including mixed-use and multifamily housing, hospitality, arts & entertainment, higher education, commercial and custom homes.

We are expanding our community of practice, looking for talented, well-rounded, driven **Project Architects** who can lead with boldness, innovate with purpose, insist on rigor, make it about people, practice environmental stewardship, and direct a collaborative process. Current and upcoming project opportunities span mixed-use, multi-family affordable and market rate housing, hospitality, and custom home markets.

Qualified candidates will have 7-10 years of experience, a professional degree in architecture, and are or intend to become both licensed and LEED® accredited. Candidates must have demonstrated experience with all phases of the design and documentation process including consultant coordination and the ability to inspire, lead and manage interdisciplinary design teams and client representatives. Candidate portfolio should include recent built projects in and around Los Angeles.

BAR is committed to the well-being of our employees and, in addition to offering competitive salaries, provides high quality company-paid medical, dental, vision and life insurance as well as short and long term disability, long-term care and a 401k plan with a generous company match. Salary will depend upon experience, skills, licensure and accreditations.

Visit <http://www.bararch.com/connect/careers> to submit your compelling letter of interest, resume and project samples. We look forward to hearing from you and exploring how your passion for design and skills, experience and interests align with opportunities at BAR.

Architects is an Equal Opportunity Employer.
