

INTERMEDIATE ARCHITECT - COMMERCIAL / INSTITUTIONAL

Ehrlich Yanai Rhee Chaney Architects is currently looking for enthusiastic and highly-motivated designers to join our studio. Candidates should be able to exhibit the following qualifications:

- 5+ years of experience.
- Professional degree in architecture. Licensure highly desired but not required.
- Excellent communication skills are essential.
- Experience working on several design phases of an architectural project.
- Experience coordinating with consultants.
- Experience working with city agencies and practical knowledge of building codes.
- Professional Revit experience strongly preferred.
- Salary shall be commensurate with skill level and experience.

Ehrlich Yanai Rhee Chaney Architects (formerly Ehrlich Architects) is a 40-person architectural design firm located in Los Angeles, CA. Recipient of the **2015 AIA National Firm Award**, the firm is known for distinctive design and creative solutions based on the particulars of people and place, and is engaged in civic, education, commercial, private residential and urban infill markets. Ehrlich Yanai Rhee Chaney Architects practices in a diverse, relaxed, familial environment and offers comprehensive health, retirement and vacation benefits.

Communication via email only.
