

Job Title: Summer Intern / Model Maker

Firm Name: [Ro Rockett Design](#)

Location: Los Angeles, CA

Firm Profile: Ro | Rockett Design is a design collaborative interested in improving, re-imagining and creating spaces, landscapes and environments. We aim for our projects to provide and evoke the spectrum of experience from utility to simple joy; places that we want to return to over and over.

Our studios live in Los Angeles and San Francisco (Sausalito), however they function as one, thinking and producing interactively and seamlessly in real-time on all projects.

Our work is centered around modern design with focus on materials, light and site integration. We are currently involved with several high end residential projects in locations across the country, including Aspen, Lake Tahoe, Los Angeles, Marin County and New York.

Salary Range: Negotiable, and competitive depending on skillset and experience.

Job Description: We are seeking to add a qualified summer intern to our Los Angeles Studio. Candidates should have strong 3D, physical model making and rendering experience is preferred.

Job Requirements: The optimal candidate will have had at least one previous summer internship, with prior experience in an architectural office setting.

- Possess strong, confident design talent
- Professional Degree (B.Arch or M.Arch)
- Be self-motivated with the ability to work independently and cooperatively within the team setting of a small office environment.
- Meticulous drawing and modelling skills (3D & Physical)
- Possess strong verbal, written and graphic communication skills
- Excellent organizational skills with a positive, diligent work ethic.
- Proficiency in REVIT, AutoCAD and Sketchup are required.

Contact Info: Please Email a PDF document containing your resume and work samples to [info@rorockettdesign.com](mailto:info@rorockettdesign.com). Please make sure to include personal and academic work as well. No Phone calls, please.
