

Architecture Job Captain (Los Angeles)

Ware Malcomb is hiring an Architecture Job Captain in our Downtown Los Angeles office.

Ware Malcomb seeks Job Captain candidates that are:

- highly motivated problem-solvers who take charge of the project with support from the Project Manager, and keep projects moving forward efficiently.
- accountable for leading consultant coordination and coordination of internal resources, along with maintaining the project drawings (ACAD and Revit), Code research, and assist PM in construction administration tasks.

Job Captain Candidate requirements:

- BArch or March (working on licensure preferred).
- 3+ years of experience working on ground-up and/or exterior renovation projects, using CAD and/or Revit.
- Wonderful attitude, be a team player with incredible communication skills and a strong desire to work on awesome projects.

Ware Malcomb Los Angeles is currently working on these projects:

- 13-story Class-A high-rise creative office tower.
- 45 acre creative office/retail campus.
- Various ground-up and exterior transform creative office projects in the Greater Los Angeles area.

Ware Malcomb is an international design firm offering integrated services to clients throughout the world. Founded in 1972, Ware Malcomb offers planning, architecture, interior design, civil engineering, branding and sustainable design services to diverse clients.

Ware Malcomb offers the best of both worlds, a small office supportive and nurturing work environment with large company amenities and resources which provides amazing opportunity for internal growth. Ware Malcomb offers a whole life balance, health-focused company culture, competitive salary and overall benefits package.

****Must be legally authorized to work in the United States****
